Parent's Feedback Report

Govt Lohia College Churu is affiliated to MGS University Bikaner. College is located at the district headquarter. College Feedback form is to be filled by the parents.

In this form, information like the name of the guardian, mobile number, name of the student, his course and session etc. is filled by the parents. This form has the following eleven points - admission procedure, infrastructure and lab facilities, hostel, other facility, exam system, discipline, ICT, sports and culture activity.

In this, the parents were given five options - excellent, very good, good, average and poor. Most parents chose the first two options- excellent and very good. No one ticked the poor option. After this, the parents were requested to write with reasons whether you are happy or dissatisfied by sending your child to this college, in which no one showed their dissatisfaction.

As per the feedback all the parents are completely satisfied with this college. Suggestions in 50 words have also been invited from the parents at the end of the form. In this, some parents have suggested to improve the hostel, water and toilet system. It can be said in the review that most of the parents prefer Government Lohia College Churu for their children.

Teacher's Feedback report

The administration of Government Lohia College, Churu urges its teachers to fill the feedback form at regular intervals. This form includes essential questions related to the college's education resources. Based on the answers given to these questions the college administration re-evaluates its role. Along with asking answers to various questions, the college administration also seeks constructive suggestions from the teachers. It has been observed that the teachers have given very positive answers while looking at the feedback form. Most of them fully agree with regard to the resources being made available to them by the college. Where they feel that things need minor improvement, they do not register complete consent. In the suggestions, the expectation of implementing some new

schemes can be seen. The administration of the college gives serious consideration to such schemes.

216	ROHIT KUMAR	1.Mathematics ke teacher apne work me ekdam badhiya hai. Chemistry ke teachers bhi sahi hai aur lab me experiment bhi karwaate hai,lekin physics ki mam ne bhi class li thi lekin kam li thi . Aur physics ka staff bhi kam hai isliye iska kuch Solution karen 2.computer Lab ko bhi open kare wo kaafi samay se band hai. Kyonki yeh bhi ek important thing hai future ke liye. Aur students ko nye-nye career options ke baare me bataaye jaaye kyonki jab teachers btaayenge to sab achhe se samjhenge Thank You☺

The quality of furniture, Library, laboratory is poor . Build In Daily Practice. No one ever mastered a skill on the first try. Encourage Social Learning. Break Learning Into Chunks.
