

MINUTES OF THE MEETING OF IQAC 3rd QUARTER

Today, on February 21, 2023, the third meeting of IQAC of this session was organized in room number 139 of the college, in which IQAC members as well as SSR committee members were invited, the following agenda was placed before the members.

1. Preparation of NAAC inspection:
2. Discussion on the Mock test result.
3. Filling of IIQA
4. To upload SSR
5. Other issues

After warm welcome by Dr Prashant Kumar Sharma, the convener IQAC, Principal of the college and chairman of the IQAC committee Mr. Mahavir Singh told all the members that after preparing the **SSR report** for the third round of NAAC, it was sent to the Commissionerate College Education, Rajasthan, Jaipur and got the report examined by them. Some suggestions were given which have been incorporated. Now this SSR report has to be uploaded for NAAC inspection. This is the main point of today's meeting and that is why the meeting has been called upon today.

SSR Committee Chairman Dr. A K Saxena and IQAC Coordinator Dr. Prashant Kumar Sharma told that a mock test has been done on NAAC website, on the basis of which the college gets **B** grading. After this, Dr. Saxena threw light on those points of mock test in which our performance is going below the average standards.

Dr. Saxena told that the complete information about the add-on programs being run in the college is not available to the SSR committee, that is why it has been shown zero in the mock test. Upon this, Dr. Ravindra Budania and Dr. M M Shaikh said that the correspondence courses running in the college campus, which are being run by *Indira Gandhi Open University, New Delhi* and *Vardhman Mahaveer Open University, Kota* should be included in the add-on course. They informed that the list of students who belong to this college and are enrolled in the courses of both the above institutes will be made available today.

Dr. Saxena also pointed out that the expenditure incurred by the college in last five years on infrastructure expenditure was below average in the mock test. Upon this, the principal, Shri Mahavir Singh suggested that the figure of expenditure should be re-examined once again by adding the College Development Committee and the Boys Fund to the total expenditure incurred in the college, because it does not seem correct after seeing it prima facia.

Dr. Saxena also informed to the members about the below average percentage in the mock test in research related data. By this Dr. Sumer Singh Khichad, Dr. Mahendra Kumar Khardia, Dr. Saroj Harit and Dr. Prashant Kumar expressed dissatisfaction over the research performance of the college. They said that there have been 75 faculty members in the college in the last 5 years, those who are not currently in this college should be contacted once again to get information of their research publications, as well as from

Lohia College, Churu

the currently working faculty members of the college also and get the research related data updated. By this we all are confident that our result regarding research & publications would be definitely uplifts from below average.

Dr. Prashant Kumar Sharma said that to fill the IIQA, it would be necessary that the letter of affiliation to university of all the undergraduate and postgraduate courses running in the college be obtained from MGS university Bikaner. The Principal assured all the members to get this affiliation letter soon from the university.

It was agreed by all the members in the meeting that the points in which our performance has been below average in the mock test should be thoroughly scrutinized once again by the SSR committee, thereafter the process of filling the IIQA should be initiated. On this, the in charge of the SSR committee, Dr. A K Saxena, assured that the points where there is scope for improvement will be soon updated. Agreeing on this, the members unanimously authorized the SSR committee and the IQAC committee to take further action for the inspection of NAAC.

The Principal of the college Mr. Mahavir Singh informed the members that two water recharging points have been prepared in the campus. Similarly, for alternative energy source, work order has been issued for 25 KW rooftop solar system, which will be installed within 1 month and it will soon start functioning. The Annual Cultural Program of the college "Sargam" is proposed on February 24 and 25, 2023, in which various co-educational activities will be held and the Annual Report of college will be read by the principal.

Mr. Suresh Kumar, chairman of the NAAC committee urged the member of the committee, Dr. Sher Mohammad, who was in charge of the second NAAC visit, to share his experiences with the NAAC committee and to submit his useful suggestions for better performance in the upcoming NAAC Assessment.

At the end of the meeting, IQAC Member Mr. Ashish Sharma thanked all the members and expressed the hope that college will not leave any single stone unturned in the upcoming assessment of NAAC to get a grade excelling the ones obtained in the previous cycles.

Following IQAC and SSR committee members were present in the meeting
