LOHIA COLLEGE, CHURU

Action taken on the feedback of teachers

Session 2022-23

Mainly teachers were found satisfied with the arrangements of the college. Even after this, some suggestions have been received from him. The college administration took action on those suggestions as follows -

- 1. It has been demanded that the number of toilet facilities in the college should be increased. The matter will be placed before the concerned authorities for taking positive action in this regard.*
- 2. It has been said that a language lab should be established in the institution, so that students can acquire linguistic proficiency by taking appropriate courses. Talks will be held with the concerned authorities in this regard.*
- 3. It has been said that there is an urgent need for automation of the library. Work in this regard is in progress.*
- 4. It was demanded by the Zoology Department that the number of books in the departmental library should be increased. This work has been completed with immediate effect.*
- 5. Teachers have wanted some more computer sets for academic needs. Computers will be purchased in the current session.*
- 6. Geography department has asked for a separate GIS lab. Efforts will be made in this regard.*
